

Stefano Salini

Marketing & Sales

Stefano Salini was born in Varese, Italy on December 8, 1983 and moved to Lugano (Switzerland) in 1992 where he was also naturalised as Swiss. His career started in the Sales Department of Documedica S.A., a Swiss pharmaceutical company which sells medical devices and food supplements throughout Europe.

In April 2008, he joined the Sales Department of Flarer S.A., a Swiss company representing European API producers in Italy.

Stefano Salini is a member of the Board of Directors of Documedica S.A.
